Dear Members,

It is with great pleasure that we present a unique advertising opportunity to you our members/issuers. As you are aware, we participate in an annual publication of the Federation of Euro-Asian Stock Exchanges (FEAS) as we are a member of that organization. We are proud to announce that **Tayburn Kurumsal** will team up with FEAS again this year to publish the Year Book and that the distribution will again be provided by a financial publishing house such as the previously utilized Risk Waters of Emerging Market Investors.

As we know you will agree, this opportunity provides you, as our member/issuer, an excellent set of benefits as shown here:

- ✓ utilization of a targeted mailing list;
- ✓ distribution to international emerging market portfolio investors and fund managers;
- ✓ very attractive advertising rates, well below normal for a publication with a major industry publisher of international fame;
- ✓ 1 year free web advertising on the FEAS website, which has over a million hits each year;
- ✓ advertising in a publication with a proven success rate over the past 5 years;
- ✓ an opportunity to contribute, free of charge, an article/advertorial, addressing current market issues while promoting your organization, of up to 3 pages, complete with logo to be placed at the beginning of the publication;
- ✓ invitations to speak at FEAS organized or sponsored events;
- ✓ listing in the FEAS website under sponsors and other useful links; and
- ✓ much much more.

The successes of FEAS are proven in that they will again be able to offer an outstanding publication with a targeted readership, positive in its outlook and committed towards the promotion of **your** organization and our market as a whole. In order to assist you in this endeavor we have enclosed an advertising specifications and fact sheet. Information can also be obtained at: <http://www.feas.org/Content.cfm?Get=Advertising&Top=Pubs>.

We are looking forward to your contributions, especially in the form of an article/advertorial. Reservations for space in the Year Book 2002/2003 should be booked by January 15, 2003.

Please feel free to contact us, or the FEAS Secretariat, directly if you have any questions.
