**REVIEW REPORT ON INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
TO THE BOARD OF DIRECTORS OF JORDAN ISLAMIC BANK
(PUBLIC SHAREHOLDING COMPANY)**

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Jordan Islamic Bank (the "Bank") and its subsidiaries (together the "Group") as at 30 September 2023 and the related interim condensed consolidated statement of income and interim condensed consolidated statement of comprehensive income for the three and nine month periods then ended, and interim condensed consolidated statements of changes in owner's equity and cash flows and sources and uses of funds of Al-Qard Al-Hasan Fund for the nine months period then ended and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the Financial Accounting Standards issued by Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI) as adopted by Central Bank of Jordan. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements (2410) "Review of Interim Financial Information performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not properly prepared, in all material respects, in accordance with the Financial Accounting Standards issued by Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI) as adopted by Central Bank of Jordan.

(2) Significant Accounting Policies

1-2 Basis of Preparation of the Interim Condensed Consolidated Financial Statements:

The accompanying consolidated financial statements of the Bank and its subsidiaries financed from the Bank's funds and the joint investment funds ("the group") have been prepared in accordance with the Financial Accounting Standards issued by the Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI), and it was approved by Central Bank of Jordan. In the absence of Financial Accounting Standards issued by the Accounting and Auditing Organization for Islamic Financial Institutions relating to financial statements items, the International Financial Reporting Standards and related interpretations are applied in conformity with the Shari'a standards, pending the promulgation of Islamic Standards therefor.

The main differences between the Islamic accounting standards issued by the Accounting and Auditing Organization for Islamic Financial Institutions as they should be applied, and the instructions of the Central Bank of Jordan can be summarized as follows:

- The provision for expected credit losses for direct facilities is recorded in accordance with the standard Impairment and Credit Losses and Onerous Commitments (FAS 30) issued by the Accounting and Auditing Organization for Islamic Financial Institutions and Central Bank of Jordan instructions No. 47 of 2009, and Which ever is stricter is taken for the stage 2 and stage 3.
- A provision was calculated against the infringing repossessed real estate at the rate of 5% of the total book values of those real estates, and according to the Central Bank of Jordan Circular No. (10/3/16234) dated October 10, 2022, the calculation of the impairment provision for the infringing repossessed real estate was stopped and the balance of the existing provision will be released for any of the infringing repossessed real estate that is got rid of.
- No expected credit losses provision is calculated on exposures of the Jordanian government or its guarantees.
- Profits are suspended on non-performing credit financing.

The consolidated financial statements have been prepared according to the historical cost basis, except for financial assets through the income statement, financial assets at fair value through owner's equity, financial assets at fair value through equity of joint investment account holders and investments in real estate, which appear at fair value on the date of the consolidated financial statements.

The consolidated financial statements are presented in Jordanian Dinars (JD) which is the functional currency of the bank.

A distinction should be made between the owner's equity (self) and joint investment accounts holders' (joint).

JORDAN ISLAMIC BANK - PUBLIC SHAREHOLDING COMPANY
NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

2-2 Basis of consolidation of the interim condensed consolidated financial statements:

The consolidated financial statements comprise the financial statements of the Bank and its subsidiaries financed from the Bank's funds and the joint investment funds and subject to the Bank's control ("Group"). Control exists when the Bank has power to govern the financial and operational policies of subsidiaries in order to obtain benefit from their activities. All Intercompany transactions, balances, revenues, and expenses are eliminated. The financial statements of subsidiaries are prepared for the same reporting period as the Bank, using consistent accounting policies.

The results of subsidiaries' operations are consolidated in the consolidated income statement from the acquisition date, being the date, the Bank obtains control over subsidiaries. The results of operations for disposed subsidiaries shall be consolidated within the consolidated income statement until the date of disposal, which is the same date on which the Bank's loses control over subsidiaries.

The Bank owns the following subsidiaries as of 30 September 2023:

Company Name	Paid in capital JD	Bank's ownership	Nature of Business	Place of Work	Acquisition Date

Sanabel Al-Khair for Financial Investments Company Ltd.	5,000,000	100%	Brokerage	Amman	2005

3-2 Changes in Accounting Policies:

The accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those followed in the preparation of the Bank's annual consolidated financial statements for the year ended 31 December 2022, except that the Bank has adopted the following new standards.

FAS 39: Financial Reporting for Zakah

This standard improves upon and supersedes FAS 9 "Zakah" issued previously. This standard aims at setting out the accounting treatment of Zakah in the books of Islamic financial institutions, including the presentation and disclosure in its financial statements.

JORDAN ISLAMIC BANK - PUBLIC SHAREHOLDING COMPANY
NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
AS OF 30 SEPTEMBER 2023 (REVIEWED AND UNAUDITED)

The standard describes the financial reporting principles applicable, depending upon Islamic financial institutions' obligation to pay Zakah. In addition, where an Islamic financial institution is not required by law or by its constitution documents to pay Zakah, it is still required to identify and disclose the amount of Zakah due in respect of the various stakeholders.

The application of this standard on the interim consolidated financial statements did not have any impact.

FAS 41: Interim Financial Report

The objective of this standard is to define the principles for interim financial reporting for all institutions that apply the Financial Accounting Standards issued by the Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI), and it should be read together with other accounting standards issued by AAOIFI and generally accepted accounting principles that apply in related regulatory scopes. This standard applies to organizations that choose or are required to prepare interim financial reports in accordance with applicable laws, regulations or practices.

The application of this standard on the interim consolidated financial statements did not have any impact.

There are no new standards that are binding, and the group has not applied them as of 30 September 2023.

(3) Use of Estimates

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of financial assets and liabilities and disclosure of contingent liabilities. These estimates and assumptions also affect the revenues and expenses and the provisions as well as fair value changes reported in shareholders' equity and unrestricted account holders' equity. In particular, considerable judgment by management is required in the estimation of the amount and timing of future cash flows. Such estimates are necessarily based on assumptions about several factors involving varying degrees of judgment and uncertainty and actual results may differ as a result of changes in conditions and circumstances of those estimates in the future.

We believe that our estimates in consolidated financial statements are reasonable and detailed as follows:

Expected credit losses for deferred sales receivables and financing: - in determining expected credit losses for financial assets, judgment is required in the estimation of the amount and timing of future cash flows as well as an assessment of whether the credit risk on the financial assets has increased significantly since initial recognition and incorporation of forward looking information in the measurement of expected credit losses.

Income tax provision: the fiscal period is charged with its related income tax according to the laws and accounting standards. Also, the deferred tax assets and liabilities as well as the required tax provision are estimated and recorded.

Management periodically reevaluates the financial assets carried at cost in order to assess any expected credit losses and the expected credit losses are allocated in accordance to the financing party.

A provision is set for the lawsuits raised against the Bank. This provision is based to an adequate legal study prepared by the Bank's legal advisor. Moreover, the study highlights potential risks that the Bank may encounter in the future, such legal assessments are reviewed periodically.
