The management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with *IAS 34 –interim Financial Reporting ("IAS 34")*. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review:

We conducted our review in accordance with International Standard on Review 2410 "Review of interim Financial Information Performed by the Independent Auditor of the Entity". A review of the condensed interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with international Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects in accordance with IAS 34.
