## **Division**

Operations

## **Recipients of Service**

The ASE Members

## **Available Forms to Perform Service**

None

## **Service Description**

Authorizing the brokers to execute Block Trades on behalf of their clients.

## **Requirements and Conditions of Service**

- The minimum value of Block Trade is JD 200,000.
- The price limit shall be executed within a price thresholds of ( $\pm 7.5\%$ ) of the last traded price for companies listed on the First Market, and ( $\pm 5\%$ ) of the last traded price for the companies listed in the Second and Third Market.
- Inform and provide the ASE with the all required documents before at least one hour from the execution time.

## **Required Documents**

- Written authorization of the client to buy/sell a security.
- Statement of client's (seller) account at the same block execution date that issued by the Securities Depository Center.
- Certificate of registration which includes the names of authorized persons to sign on behalf of the client, if the client is a legal person.
- Prior written approval of the official parties whenever it deems necessary.

## **Steps and procedures for implementing the service**

- Verify all the submitted documents, and make sure that all the conditions determined in accordance with the Trading Directives are fulfilled.
- Give the involved broker the authorization to access the Block trades system to enter the buy

or sell order and execute the Block Trade.
