Report on the review of the condensed interim financial statements

To the Board of Directors of

AL - Tahdith for Real Estate Investments Company

Public shareholding company

Amman - The Hashemite Kingdom of Jordan

Introduction:

We have reviewed the accompanying condensed interim financial statements of **AL - Tahdith For Real Estate Investments Company** comprising of condensed interim statement of financial position as at 30 June 2024, and the related condensed interim statements of comprehensive income, changes in equity and cash flows for six-month period ended 30 June 2024 and the related explanatory notes.

The management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with IAS 34 – Condensed interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review:

We conducted our review in accordance with International Standard on Review 2410 "Review of Condensed Interim Financial Information Performed by the Independent Auditor of the Entity". A review of the condensed interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with international Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects in accordance with IAS 34.

Other matter:

The financial statements were audited as on December 31, 2023, and the interim condensed financial statements as on June 30, 2023 were reviewed by another auditor, who issued an unqualified audit report on Feb 1, 2024 and an unqualified review report on July 24, 2023 respectively.

3- Use of estimates

The preparation of the interim financial statements requires management to make estimates and assumptions that affect the reported amount of financial assets and liabilities and disclosure of contingent liabilities. These estimates and assumptions also affect the revenues and expenses and the resultant provisions and particular, considerable judgement by management is required in the estimation of the amount and timing of future cash flows. Such estimates are necessarily based on assumptions about several factors involving varying degrees of judgment and uncertainty and actual results may differ, resulting in future change in such provisions.

Management believe that the estimates are reasonable and are as follows :

- Management evaluates its investments for impairment on a regular basis where there is a prolonged decline, Management estimates the value of impairment and the same is charged in the statement of comprehensive income - An estimate of the collectible amount of trade accounts receivables is made when collection of the full amount is no longer probable. For individually significant amounts, this estimation is performed on an individual basis. Amounts which are not individually significant, but which are past due, are assessed collectively and a provision applied according to the length of time past due, based on historical recovery rates.

- Inventories are held at the lower of either cost or net realizable value. When inventories become old or obsolete, an estimate is made of their realizable value. For individually significant amounts this estimation is performed on an individual basis. Amounts which are not individually significant, but which are old or obsolete, are assessed collectively and a provision applied according to the inventory type and the degree of aging or obsolescence, based on historical selling prices.

- Management reviews periodically the tangible and intangible assets in order to assess the amortization and depreciation for the year based on the useful life and future economic
