Independent Auditor's Review Report

To, The Shareholders
Al-Bilad Securities and Investment Company
(Public Shareholding Limited Company)
Amman - Hashemite Kingdom of Jordan

Introduction

We have reviewed the accompanying interim condensed statement of financial position of **Al-Bilad Securities and Investment Company ("The Company")** as of June 30, 2026, and the interim condensed statements of profit or loss and other comprehensive income for the three and six months, changes in shareholders' equity, and cash flows for the six-month period then ended, as well as a summary of significant accounting policies and other explanatory notes from 1 to 22.

Management is responsible for the preparation and fair presentation of these interim condensed financial statements in accordance with International Accounting Standard ("IAS") 34, "Interim Financial Reporting". Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of Review

We conducted our review in accordance with Review Engagements Standard (2410) "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements for the period ended June 30, 2026, are not prepared in all material respects, in accordance with IAS (34) "Interim Financial Reporting".

The partner in charge of the audit resulting in this auditor's review report was Hasan Amin Othman; license number 674.

Date: 29, July, 2026

The accompanying notes from 1 to 22 are an integral part of these interim condensed financial statement

Al-Bilad Securities and Investment Company
(Public Shareholding Limited Company)
Notes to the Interim Condensed Financial Statements(Unaudited)
For the six-month period ended June 30, 2026

1-Legal Status and Activities

Al-Bilad Securities and Investments (Public Shareholding Limited Company) was established and registered with the Controller of Companies at the Ministry of Industry and Trade in The Hashemite Kingdom of Jordan as a (Public Shareholding Limited Company) under No. (397) on March 22, 2006.

The company's main activity is buying and selling stocks, bonds, and securities and acting as a commission brokerage.

2-Basis of Preparation

The interim condensed financial statements as of June 30, 2026, have been prepared in accordance with International Accounting Standard No. 34: "Interim Financial Reporting".

The financial statements have been prepared in accordance with the historical cost basis, except for financial assets and financial liabilities that are measured at fair value.

The financial statements are presented in Jordanian Dinars and the amounts are rounded to the nearest Dinar, which is the Company's functional currency.

The interim condensed financial statements do not include all the information and disclosures required for the annual financial statements prepared in accordance with International Financial Reporting Standards and should be read in conjunction with the annual report as of December 31, 2025. Furthermore, the results of operations for the three- and six -month period ended June 30, 2026, do not necessarily represent an indication of the results expected for the year ending December 31, 2026.

3- Adoption of New and Amended International Financial Reporting Standards (IFRS)

Standards Issued and not yet effective

• **Amendments effective for annual periods beginning on or after January 1, 2026:**

- Amendments to International Financial Reporting Standard (IFRS) 9 “Financial Instruments” and International Financial Reporting Standard (IFRS) 7 “Disclosures”.
- Annual Improvements to IFRS Accounting Standards – Volume 11.

• **Amendments effective for annual periods beginning on or after January 1, 2027:**

- International Financial Reporting Standard (IFRS) 18 – Presentation and Disclosure in Financial Statements.
- International Financial Reporting Standard (IFRS) 19 – Subsidiaries without Public Accountability: Disclosures.

The management expects to adopt these new standards, interpretations, and amendments in the financial statements during the initial application period. Management also expects that the adoption of these new standards, interpretations, and amendments will not have a material impact on the financial statements during the initial application period, except for IFRS 18, which relates to the reclassification and presentation of financial statements.

4-Significant Accounting Estimates and Assumptions

The preparation of the financial statements in accordance with the applied accounting principles and policies requires the use of judgments, estimates and assumptions that may impact the value of revenues, expenses, assets and liabilities and attached notes besides disclosure of contingent liabilities. The uncertainty in respect of these assumptions and estimates may require material adjustment to the carrying amount of asset or liability affected in future periods

The key assumptions concerning the future and other key sources of uncertainty at the financial position date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared, these estimates and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

A- Going concern basis

The company has no doubt about the ability to going concern, based on it these financial statements were prepared on going concern basis

B- Estimated useful life for property and equipment

The cost of property and equipment are depreciated over the expected services period which is estimated based on the estimated usage, obsolescence due to technology advancements and considerations of residual value of the assets. The Company's management did not estimate any residual value for its assets due to immateriality.

C- Provision for expected credit losses

The provision for expected credit losses is determined through many factors to ensure that the accounts receivable balances are not overstated as a result of un-collectability, including quality and aging of the accounts receivables and continuous credit evaluation of the financial positions of the customers and guarantees required from the customers certain circumstances.

D- Measurement of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether this remarkable price is directly or estimated using another valuation value.

The fair value of an asset or a liability is measured using the assumptions will be either:

- Through the major markets for assets or liabilities, or
- Through the most beneficial markets for assets or liabilities in the absence of major markets.

The major or the most beneficial markets must be available to the Company to access to them.

Fair value is measured using assumptions that market participants would use when pricing assets or liabilities, assuming that market participants act in their best economic interest.

The fair value measurement of non-financial assets takes into account the ability of market participants to generate economic benefits by using the assets to their highest and best use or by selling them to another market participant who would use them to their highest and best use.

The Company uses valuation techniques that are appropriate with the prevailing circumstances and conditions and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Al-Bilad Securities and Investment Company
(Public Shareholding Limited Company)
Notes to the Interim Condensed Financial Statements(Unaudited)
For the six-month period ended June 30, 2026
(Jordanian Dinar)

4-Significant Accounting Estimates and Assumptions (Continued)

D-Measurement of fair value (Continued)

All assets and liabilities for which fair value is measured or disclosed in these financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Traded prices for identical assets or liabilities in active markets.

Level 2-Valuation techniques for which the lowest level inputs (that is significant to the fair value measurement) is directly or indirectly observable.

Level 3-Valuation techniques for which the lowest level inputs (that is significant to the fair value measurement) is unobservable.

Fair value measurement for unquoted AFS financial assets and non-recurring measurement, such as assets held for distribution in discontinued operations, is evaluated on a periodic basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

5- Financial assets at Fair Value through other comprehensive income

	June 30, 2026(Unaudited)	December 31, 2025(Audited)
<u>Inside Jordan</u>		
Listed shares in the financial market	771,652	771,526
Change in Fair Value	(306,457)	(234,177)
	465,195	537,349
<u>Unlisted shares</u>		
Saraya Aqaba real estate development	616,578	616,578
Provision for impairment in fair value	(616,578)	(616,578)
	-	-
Total	465,195	537,349

Financial assets include shares of companies listed on the Amman Stock Exchange with a fair value amounting to JOD 464,000 as at the date of the financial statements, pledged in favor of Jordan Commercial Bank against banking facilities. In addition, shares of companies listed on the Amman Stock Exchange with a fair value amounting to JOD 950 as at the date of the financial statements are held as collateral against board membership requirements.

Management has assessed the investment in Saraya Aqaba Real Estate Development Company based on the net book value of assets less preferred shares, taking into consideration the expected impairment percentage on the Group's assets, as the investment is not listed on the financial market. The Group has a real estate project that is expected to be completed during 2024, and the recoverability of its cost depends on the completion of the project and the achievement of cash flows in accordance with the project's cash flow assumptions.

Al-Bilad Securities and Investment Company
(Public Shareholding Limited Company)
Notes to the Interim Condensed Financial Statements(Unaudited)
For the six-month period ended June 30, 2026
(Jordanian Dinar)

17-Basic and diluted (loss) per share for the Period

	June 30, 2026	June 30, 2025
	(Unaudited)	(Audited)
(Loss) for the Period	(69,192)	(140,461)
weighted average shares	5,000,000	5,000,000
Basic and diluted earnings (loss) per share	(0.014)	(0.028)

The diluted earnings (loss) per share for the year is equal to the basic earnings (loss) per share for the Period.

18- Contingent liabilities

As at the financial position date, the Company has contingent liabilities in the form of bank guarantees amounting to JOD 650,500.

19- Legal Cases

There are legal cases filed by the Company against third parties amounting to 4,352,282 as of 30 June 2026, JOD 4,352,282 which are still pending before the competent courts. Based on the opinion of the Company's legal counsel and management, the provisions recognized are sufficient.

20- Financial Instruments- Risk Management

Fair Value:

It is the value at which an asset can be exchanged, or a liability settled, between knowledgeable and willing parties in an arm's length transaction. The company's financial instruments are classified based on the historical cost method, and differences may arise between the carrying amounts and the estimated fair values. Management believes that the fair values of the company's financial assets and liabilities do not differ materially from their carrying amounts.

Credit Risk:

Represents the risk that one party will be unable to meet its obligations, resulting in a financial loss to the other party. The company does not have a significant concentration of credit risk. Trade receivables are continuously reviewed, and aging analyses are performed, with appropriate provisions made for any doubtful debts. Trade receivables are presented net of credit losses. The company maintains its cash balances with local banks that have good credit ratings.

Currency Risk:

Is the risk arising from changes in the value of financial instruments due to fluctuations in foreign exchange rates. The company's transactions are mostly denominated in Jordanian Dinars. Transactions in Euro and US Dollar, if any, are not material; accordingly, currency risk is also effectively managed.

Liquidity Risk:

Is the risk that an entity will encounter difficulty in obtaining funds to meet commitments associated with financial instruments. Liquidity risk may arise from the inability to sell a financial asset quickly at an amount close to its fair value. The company manages liquidity risk by maintaining adequate reserves, constantly monitoring cash flows, and aligning the maturities of financial assets and liabilities.

21- Comparative figures

Certain comparative figures for the previous year have been reclassified to conform with the presentation used in the current year.

22- Approval of the Financial Statements

These financial statements were authorized for issue by the Board of Directors on 29, July, 2026.
